Job Description

A global automotive technology company is looking for an FP&A Analyst (Senior Accountant). The selected candidate will support financial reporting, accounting operations, audit and tax compliance, and collaborate with shared service teams and internal stakeholders to ensure accurate financial management.

The company operates in the automotive technology industry and supports global manufacturing and mobility solutions. It works across international markets and promotes collaboration between regional and global finance teams.

Keywords:

Job Ref: 5C281C

Responsibilities:

- Assist with daily, monthly, quarterly, and annual reporting, audit, and tax-related activities
- Validate AP, T&E, and PO requests in internal systems
- Prepare payroll-related and general ledger journal entries
- Review and reconcile bank transactions and balance sheet accounts
- Perform SAP data uploads, exports, and financial analysis support
- Reconcile inventory movements and sales statements

- Support audit requests and corporate tax filing compliance
- Oversee fixed asset compliance in line with IFRS, JGAAP, and local tax requirements
- Maintain system administration and dimension master data
- Communicate with internal and external stakeholders and support ad-hoc finance tasks

Requirements:

- Bachelor's degree or above in Accounting, Finance, or a related discipline
- More than 3 years of experience in monthly and annual accounting processes
- Experience responding to tax accountant information requests for corporate tax filings
- Foundational understanding of payroll reports and Japanese withholding tax regulations
- Knowledge of lease accounting and inventory valuation
- Possess a valid Nissho Boki Level 2+ qualification
- Fluent level Japanese; business level English

Preferred requirements:

- Knowledge of IFRS or equivalent accounting standards
- Experience working in US or European multinational companies
- Strong MS Excel skills for data analysis and reporting
- Practical experience with SAP and/or legacy ERP systems

Company Description

For over 25 years, in Japan, we have been a driving force in the Japanese bilingual recruitment market, providing high-quality candidates for our clients and access to the best jobs. We always put the interests of our clients and candidates first and run on a non-commission model that promotes a working culture where teamwork is incentivised. We strive to find the best fit for both employer and job seeker and don't push people into unsuitable roles.
