### Job Description

A global chemical company is looking for a Logistics Procurement Manager. The selected candidate will lead regional logistics procurement strategy, drive cost optimisation, and manage supplier performance across NEA and SEA.

A leading global chemical company with operations in more than 80 countries. Many well-known brands and consumers, including personal care brands, pharmaceuticals and building products manufacturers, rely on the company's products and services.

**Keywords:**

サプライチェーン, 物流, ロジスティクス, 求人, 外資系

Job Ref: J693SM

**Responsibilities:**

- Deploy regional logistics procurement strategies aligned with business and global priorities
- Drive cost savings and efficiency through strategic sourcing, benchmarking, and supplier negotiations
- Lead logistics transformation initiatives and manage cross-functional stakeholder alignment
- Oversee procurement across transport, warehousing, freight, and specialised logistics categories
- Manage supplier relationships, performance reviews, and continuous improvement plans
- Analyse market trends and logistics data to optimise operations and inform strategic decisions

**Requirements:**

- Bachelor's degree or above in business, supply chain, engineering or related field (Master's degree in supply chain or logistics is ideal)
- 5-10 years relevant work experience in logistics procurement or supply chain roles
- Experience in leading transformation and process improvement projects
- Prior regional experience across Asian markets or multi geography roles with cross country stakeholder management
- Background in ocean freight markets, regional regulations, and logistics cost modelling
- Knowledge of logistics understanding (shipping, road transportation, warehousing)
- Skilled with AI-enabled productivity tools (Palantir, M365 Copilot, ChatGPT, etc.)
- Proficient in MS Office Suite
- Fluent level English and Japanese

---

**Company Description**

For over 25 years, in Japan, we have been a driving force in the Japanese bilingual recruitment market, providing high-quality candidates for our clients and access to the best jobs. We always put the interests of our clients and candidates first and run on a non-commission model that promotes a working culture where teamwork is incentivised. We strive to find the best fit for both employer and job seeker and don't push people into unsuitable roles.
