### Job Description

We are looking for a Japanese-speaking Project Manager who can lead projects end-to-end and effectively bridge communication between clients, internal teams, and stakeholders. The ideal candidate is proactive, detail-oriented, and confident in managing timelines, risks, and stakeholder expectations in a fast-paced environment.

### Responsibilities

- Lead and manage project delivery from initiation to completion
- Coordinate with Japanese-speaking clients, stakeholders, and cross-functional teams
- Track project progress, risks, and issues, ensuring timely resolution
- Facilitate meetings, provide clear status updates, and manage expectations
- Ensure projects are delivered on time, within scope, and with high quality

#### Qualification

- 2+ years of experience in Project Management or Project Coordination
- Business-level Japanese (JLPT N3 or above) with strong communication skills and fluent in English communication.
- Proven ability to manage timelines, priorities, and multiple stakeholders
- Strong problem-solving and organizational skills with high ownership
- Experience in stakeholder management and client-facing communication
