Job Description

POSITION:	Senior Perfumer (Fragrance)
Business:	Chemical Raw Materials – Fragrance & Flavor
SALARY:	Open to discuss
Location:	Bangkok

Position Overview

We are seeking a highly creative and experienced Senior Perfumer to lead fragrance development initiatives. This role will be responsible for creating innovative and high-quality fragrances aligned with market trends and client needs, while collaborating closely with cross-functional teams.

Key Responsibilities

- Develop and create original fragrance formulations across various applications (e.g., fine fragrance, personal care, home care)
- Translate client briefs and market insights into commercially successful fragrance solutions
- Evaluate, refine, and optimize fragrance compositions to meet performance and quality standards
- Stay up to date with global fragrance trends, consumer preferences, and raw material innovations
- Collaborate with marketing, technical, and commercial teams to ensure successful product development
- Present concepts and fragrance creations to internal stakeholders and clients
- Ensure compliance with regulatory and safety standards

Qualifications & Experience

- Minimum 10+ years of experience in perfumery or fragrance development
- Proven expertise in fragrance creation, formulation, and raw material knowledge
- Strong creative and olfactory skills with a track record of successful launches
- Experience working with diverse product categories and international markets is an advantage
- Fluent in English (both spoken and written)
- Degree or formal training in Perfumery, Chemistry, or related field preferred
