Job Description

Job Title: Manager - Supply Chain

Location: Gurgaon

Primary Responsibility

1. Import & International Logistics

- Manage end-to-end import operations including procurement coordination, shipment planning, customs clearance, and inbound logistics.
- Coordinate with group companies, suppliers, freight forwarders, CHAs, and logistics partners to ensure timely and cost-effective deliveries.

2. Domestic Distribution & Logistics

- Oversee domestic transportation, warehousing, and distribution across retail, distributor, and e-commerce channels.
- Manage 3PL partners to ensure timely order fulfillment and service level adherence.
- Optimize logistics operations, transportation costs, and delivery performance.

3. E-commerce Fulfillment & Operations

- Manage B2B and B2C order fulfillment across marketplaces and direct-to-consumer channels.
- Ensure inventory availability, order accuracy, SLA compliance, and efficient returns management.
- Support operational readiness for promotions, product launches, and peak sales events.

4. Inventory Planning & Warehouse Management

- Collaborate with Sales and E-commerce teams on demand forecasting and inventory planning.
- Maintain optimal inventory levels while minimizing stock-outs and excess inventory.

5. Distributor & Customer Operations

- Manage distributor and customer portal operations, documentation, and inwarding schedules.
- Ensure compliance with customer-specific packaging, labeling, and documentation requirements.

Requirements

- Bachelor's degree in supply chain, Logistics, Business Administration, or related field.
- 7-10 years of supply chain experience with strong expertise in domestic logistics, particularly in e-commerce and quick commerce operations
