No permission to work in Japan required

Job Description

Location: Hyderabad

Key Responsibilities:

- Support the design of a funding mechanism for startups, MSMEs, and social enterprises, including development of a scoring model that evaluates both financial viability and social impact; refine the model based on real-time feedback and stakeholder inputs.
- Assist in the end-to-end selection process of projects, including screening applications, applying evaluation criteria, and preparing required documentation.
- Facilitate the identification and onboarding of entrepreneurs, startups, and MSMEs under the financing program, ensuring alignment with program objectives and impact goals.
- Monitor funded projects post-disbursement by tracking performance, financial utilization, and impact metrics; provide regular updates and flag risks or underperformance.

- Deliver advisory support and training sessions on the application and usage of the scoring framework to build long-term institutional capacity.
- Organize outreach and engagement activities such as workshops, events, and stakeholder interactions to promote the funding mechanism among startups, investors, and ecosystem partners.
