Job Description

Job Title: Product Application Specialist

Location: Singapore

About Us:

The client is a fast-growing Singapore medtech company looking for a driven Product Specialist to join their team.

Key Responsibilities:

- Conduct clinical selling directly to surgeons and nurses across public and private hospitals
- Engage both clinical and administrative stakeholders throughout the sales process
- Conduct product presentations and in-service training for surgeons, nurses, and clinical procurement teams

- Develop and manage relationships with key decision-makers at government and restructured hospitals, private hospitals, and specialist and surgical clinics

Qualifications:

- At least 2 years of experience in clinical selling, sales application, or a related clinical/commercial role within medical devices or healthcare; experience in ENT or audiology is a plus
- Strong consultative selling skills with the ability to engage both clinical and administrative stakeholders
- Demonstrated ability to open new markets or accounts
