Job Description

About the Opportunity

- Join a globally connected organisation with a strong presence across multiple markets
- Be part of a collaborative finance/planning team supporting key business decisions and ongoing operations
- A strong opportunity for early-career professionals to build practical accounting and financial planning experience
- Exposure to international stakeholders and structured career development

Key Responsibilities

- Support budgeting and forecasting processes, ensuring data accuracy and timely updates

- Prepare and review reconciliations between actual and forecast figures, identifying and explaining variances
- Assist in the preparation of regular financial reports for internal stakeholders and overseas headquarters
- Produce and maintain tracking reports related to revenue, costs, and overall performance
- Work cross-functionally to collect, validate, and interpret financial and operational data
- Maintain master data and support data uploads across financial and planning systems
- Support cashflow reporting, including variance analysis versus budget and prior periods
- Contribute to planning cycles such as budget submissions and periodic business reviews
- Assist with process improvements and participate in ad-hoc finance and reporting projects

What They're Looking For

- **1–2 years' experience** in finance, accounting, or a related field
- Experience supporting reporting, reconciliations, or forecasting processes is preferred
- Strong Excel skills with the ability to process and analyse financial data
- Currently studying (or planning to study) towards a professional accounting qualification (e.g. CIMA/ACCA/ACA or equivalent)
- Solid understanding of basic accounting principles
- High attention to detail with a structured and organised working style
- Proactive mindset with the ability to manage priorities and meet deadlines
- Strong communication skills and a collaborative, team-oriented approach
- Experience with financial systems is advantageous (e.g. SAP, Oracle Essbase)

What Makes This Role Attractive

- Opportunity to gain hands-on experience across a broad range of finance activities
- Exposure to international reporting and cross-border collaboration
- Supportive team environment with ongoing learning opportunities
- Clear pathway for progression within finance and accounting

Additional Information

- Permanent, full-time role
- Primarily office-based, with some flexibility available
- Flexible start time within standard business hours (early start options available: 7:30am–10:00am)
- Suitable for candidates with existing work eligibility (no visa sponsorship provided)

We regret to inform that only shortlisted candidates will be notified.
Thank you for your understanding.
