Job Description

Company Overview

A company in the enterprise software consulting industry is hiring for a Senior SAP FICO Consultant position.

Job Description

- Lead Business Blueprint workshops and prepare project documentation, including system configuration, functional specifications, unit test scripts, and integration test scripts based on business requirements.
- Collaborate closely with technical teams to develop and validate Forms, Reports, Interfaces, Conversions, Enhancements, and Workflows.
- Ensure seamless integration between SAP FICO and other SAP modules while coordinating requirements for integration with external software systems.

- Prepare training materials for key users and conduct SAP training sessions using official SAP Education documentation.
- Deliver high-quality project outcomes within established timelines while participating in SAP implementation, rollout, support, and maintenance projects.
- Provide functional support by resolving helpdesk tickets and assisting users with SAP-related issues.

Qualifications

- Bachelor's degree from a recognized university.
- Minimum of 8 years of experience as an SAP Functional Consultant or in a related role.
- Experience participating in at least five full-cycle SAP implementation projects or equivalent project experience.
- Hands-on experience with SAP S/4HANA and SAP Fiori implementation.
- Strong presentation and communication skills.
- Proficiency in both English and Vietnamese.
- Japanese language proficiency is an advantage.
