Job Description

You will be involved in launching new IP businesses and related initiatives, with a primary focus on the North American market. This role involves a wide range of hands-on tasks, from project planning and production management to coordinating with external partners in the project's early stages.

《Specific Responsibilities》

- Research and analyze the VTuber market and related fields, with a focus on North America.

- Plan and promote initiatives related to social media, streaming, and events.
- Manage the production of streams and various creative content.
- Support the execution of business operations overseas (e.g., contracts, distribution, localization).
- Negotiate, coordinate, and promote collaborative initiatives with alliance partners.
- Support the planning and operation of new overseas businesses for our company.
- Research business practices and legal regulations in various regions and support the planning and execution of corresponding measures.

【Other Terms & Conditions】

- Remote work is possible (commuting to the office at least once a week is mandatory).
- Potential for hire at a manager level.

Required Skills**《Requirements》**

- Business-level English proficiency, with strong communication skills (verbal and written)
- Professional experience in the entertainment industry
- Practical experience in content planning and production coordination
- Proficiency in Office 365 tools (Word, Excel, PowerPoint) for business documentation and presentations

《Preferred》

- Experience in the global expansion of IP-driven businesses
- Experience working on international projects within the entertainment industry
- Experience in planning and producing events or digital content
- Hands-on experience in the influencer industry (e.g., MCNs, talent management companies)
- Proficiency in additional languages besides English (e.g., Spanish, Chinese, Korean)
