Job Description

Job Description

The Assistant Relationship Manager (ARM) is a key member of the Private Banking team. He/she supports the Relationship Manager (RM) in daily operations, administration, client servicing, and relationship management. The ARM interacts with both internal and external stakeholders, provides clients with relevant information, and supports the RM in delivering customized solutions while ensuring excellent client service.

Key Responsibilities

- Support Relationship Managers in servicing and growing client portfolios, acting as a key liaison for client needs.
- Assist in providing tailored financial advice across investments, lending, wealth structuring, and strategic planning.
- Oversee the efficient execution of day-to-day transactions, including securities trades, foreign exchange (FX) conversions, loan drawdowns, and payments.

- Monitor client portfolios and support the development of investment and wealth management strategies.
- Prepare and deliver customized reports, tax documentation, and investment materials to clients and their advisors.
- Coordinate account opening and onboarding processes for new clients, and manage documentation related to credit facilities and compliance requirements.
- Maintain high standards of client service, ensuring all communications are handled promptly and professionally.
- Liaise with internal teams, including Operations and Compliance, to ensure smooth and compliant service delivery.
- Ensure compliance with regulatory requirements, company policies, and internal controls.
- Perform other ad hoc duties and tasks as assigned by supervisors and management.

Requirements

- A university degree and relevant experience in private wealth management, private banking, or financial services.
- Strong administrative and analytical skills, with keen attention to detail and a commitment to compliance.
- Excellent interpersonal, verbal, and written communication skills.
- Client-focused, proactive, and able to thrive in a fast-paced environment.
- Proficient in Microsoft Office applications, particularly Excel, Word, Outlook, and PowerPoint.
- Possession of CACS Papers 1 and 2 is required.
- CMFAS Modules 1B, 5, 6A, and 8A certifications are preferred.

We regret to inform that only shortlisted candidates will be notified.
