Job Description

Company Overview

JAC's client, a Japanese multinational company in the ERP consulting industry is hiring for a SAP Consultant position.

Job Description

- Support ERP implementation projects for clients across Japan and the Asia-Pacific region
- Analyze business processes and operational requirements related to finance, sales, procurement, logistics, and production functions
- Participate in business process re-engineering initiatives to align client operations with ERP best practices
- Configure, customize, and optimize ERP systems based on business requirements

- Collaborate with functional and technical teams to deliver ERP solutions
- Provide user support, training, testing, and post-implementation assistance
- Communicate with international stakeholders and support project activities conducted in Japanese and English

Qualifications

- Minimum 2 to 3 years of ERP-related experience
- Experience working with ERP implementation, consulting, development, or support projects
- Experience with SAP or Oracle ERP is preferred
- Experience in one or more of the following areas:
    - Finance and Accounting
    - Sales
    - Procurement
    - Logistics
    - Production
    - SAP ABAP, SAP FICO, or SAP S/4HANA experience is highly desirable
- Oracle ERP consulting, technical, or development experience is an advantage
- Experience supporting regional or multinational projects within the Asia-Pacific region is preferred
- Japanese language proficiency at JLPT N1 level
- Strong English communication skills
- Ability to learn new technologies and business processes in a consulting environment
- Strong analytical, problem-solving, and communication skills

Benefits

- Structured onboarding and training program
- On-the-job training and professional development opportunities
- Remote work arrangement within Vietnam
- Company-provided laptop, monitor, desk, chair, and other necessary work equipment
- Home internet expense support
- Childcare support allowance for eligible employees
- Annual paid leave entitlement of 12 days
- Opportunity to work on international projects with clients across multiple countries and regions
