A leading **global alternative asset management firm** is seeking a **Senior Credit Investment Professional** to join its Investment team in Tokyo. The firm specializes in **Private Equity, Private Debt, Infrastructure, and Real Estate**

investments, serving institutional investors worldwide.

This is a rare opportunity for an experienced investment professional with strong expertise in **Origination, Financial Modelling, and Credit Investments** to become a key representative of the Japan business. You will lead the sourcing, evaluation, and execution of investment opportunities while working closely with global teams in a highly collaborative international environment.

Professionals from both the **buy-side** and **sell-side** with strong financial modelling capabilities are encouraged to apply.

Key Responsibilities

- Originate and evaluate new **credit investment** opportunities across the Japanese market.
- Develop and maintain relationships with financial institutions, corporate clients, and strategic partners to generate investment opportunities.
- Build sophisticated **financial models** to assess investment opportunities and support investment decision-making.
- Conduct market research, industry analysis, and financial due diligence on potential investments.
- Evaluate and execute investments across **loans, debt, lending, and other credit-related products**.
- Prepare investment memoranda and present recommendations to internal investment committees.
- Collaborate with global investment professionals on cross-border transactions and strategic initiatives.
- Represent the Japan business as a senior member of the Investment team.

Required Skills

必須条件 経験・資格：

- 金融業界やコンサル会社にてModellingやOriginationに関わったご経験お持ちの方。
- 12 - 3年以上の社会人経験。大卒以上。
- ビジネスで意思疎通可レベルの英語力。

ソフトスキル：

- Modelling、財務分析、Originationのスキル。
- コミュニケーション能力。

語学力：

- 日本語：流暢
- 英語：中級/ビジネス

歓迎条件

- クレジットに関わったご経験があれば尚可ですが、異なるアセットクラスも可です。

この求人がおすすめの理由

- 外資系のオルタナ企業のこのような希少なポジションで働けるチャンス。
- セルサイドやAM業界外の方も是非。クレジット未経験の方も。
- グローバルなカルチャーで働けます。

Required Skills and Qualifications Experience:

- **12-13+ years of professional experience** in investment banking, asset management, consulting, or another related financial services field.
- Strong experience in **Origination and Financial Modelling**.
- Experience working within investment banking, private markets, asset management, or financial advisory environments.
- Bachelor's degree or above.
- Business-level English communication skills.

Soft Skills:

- Excellent financial modelling and analytical capabilities.
- Strong communication and relationship management skills.
- Commercial mindset with the ability to identify and evaluate investment opportunities.
- Strategic thinking and sound investment judgement.
- Ability to work independently while collaborating effectively with international teams.

Language Requirements:

- **Japanese:** Fluent
- **English:** Intermediate / Business

Preferred Skills & Qualifications

- Experience investing in **credit, loans, private debt**, or other fixed income products.
- Experience across alternative asset classes such as **Private Equity, Infrastructure, or Real Estate** is also welcomed.
- Experience working with institutional investors.
- Previous exposure to cross-border investment transactions.
- Experience within a global asset management or alternative investment firm.

Why You'll Love Working Here

- Join a prestigious **global alternative investment manager** in a highly visible senior investment role.
- Become a key representative of the Japan business and contribute directly to its long-term growth.
- Work on complex **credit investment, private debt**, and **origination** opportunities.
- Professionals from both the **buy-side** and **sell-side** are encouraged to apply, even without direct credit investing experience.
- Collaborate with experienced global investment professionals in an international and entrepreneurial culture.
- Build your career within one of the fastest-growing areas of alternative asset management.
