Job Description

【求人No NJB2245312】

Help transform client organizations by providing customized training programs for global regional and local leaders (mainly in English).

【Services Offered by this department】

We partner with the management teams (CEOs CHROs etc.) and human resource divisions of global companies. Our programs are carefully tailored to each client's unique management issues as well as the organization's vision strategy philosophy and organizational culture. Flexibility is key to our work as we make adjustments to client needs at every stage. This allows us to not only deliver what is promised but exceed expectations.

【Typical Workday】

GLOBIS employees have flexible working hours and are allowed remote work. Depending on the department and other conditions staff are asked to commute to the office 60% of days required to come to work.

Typical weekly schedule:

Monday: Team meeting Internal meeting Preparation to visit a client

Tuesday: Meeting with clients Review of the meeting with the client

Wednesday: Internal study session Preparation for the next day's delivery

Thursday: Delivery of training program Post training review Preparation for the next day

Friday: Delivery of training program Post training meeting with client

【Remote Work】

GLOBIS actively embraces new ways of working as a 21st century leader. Leveraging cutting edge technology we proactively incorporate online and remote work while placing a strong emphasis on creating real spaces that foster positive communities company culture and relationships.

We generally recommend coming to the office three days or more a week but policies may vary based on the characteristics of each department and team. Please note that the above is subject to change based on the societal landscape.

With the aim of adapting to the organization and building relationships with colleagues it is recommended to be present in the office daily during the onboarding period (the first three months of employment) .

【Company wide Retreat (Residential Training)】

The initiative involves discussions in an environment removed from daily business operations focusing on:

The initiative involves discussions in an environment removed from daily business operations focusing on:

Understanding the GLOBIS Way

Management retreat (making company wide goals personal)

Cross departmental communication and team building

*This is conducted annually over a period of one night and two days.

*Additionally there is a Department Retreat conducted within individual departments with similar objectives.

【Requirement for the Professional】

Not only expertise in business but also involvement in organizational management is expected in the long run. Additionally as part of career development participation in educational activities (such as the development of educational content and lecturing) aimed at disseminating management knowledge is required. (Therefore it is assumed that obtaining a master's degree is a prerequisite either before or after joining the company.)

For more details please visit: <https://recruiting.globis.co.jp/environment/growthsupport/>

【Department/Team】

You will be a member of the Global Team in our GLOBIS Corporate Education as a Learning Development Consultant. The team consists of members from diverse countries and backgrounds. Each project is typically assigned two to three consultants.
