Job Description

OVERVIEW

Our client is an international trading company, providing steel, construction materials, chemicals, and renewable energy to a wide range of customers within EU countries. Now, they are looking for a Risk Management Analyst to join a finance team for the EMEA HQ office near Frankfurt.

KEY REQUIREMENTS:

- Educational background in Business Administration, Finance, Accounting or other related field
- Relevant background in risk management
- Korean and English communication skills (Korean is a must as there are tasks to do in Korean)

JOB RESPONSIBILITIES:

- The Risk Management Analyst is expected to be accountable for monitoring and controlling risks related to business partners, industries, and countries.
- Identifying, assessing, and prioritising potential risks and evaluating their impacts on diverse business models.
- Preparing clear and insightful internal reports to support executive decision-making and collaborating closely with cross-functional teams to ensure effective communication and alignment with key risk issues.
- Risk assessment
 - Establish and manage risk-related standards and policies
 - Identify existing risks related to business partners, commodities, and countries
 - Assess credit profiles of business partners and counterparties
 - Develop and implement effective risk management practices within day-to-day operations
 - Develop and enhance internal control systems (ICS), including credit and inventory controls
- Monitoring
 - Conduct regular reviews of key management indicators as well as political and commercial developments
- Reporting
 - Prepare clear and insightful reports on control and monitoring results for senior management, supporting informed decision-making
 - Ensure effective communication and alignment with relevant internal departments

JOB REQUIREMENTS:

- Related experience or background (working or internship experience) in risk management related is preferred
- Strong team collaboration skills with a hands-on mindset
- Able to work across diverse teams and cultures
- Practical MS Office skills, especially Excel and PowerPoint

BENEFITS:

- Full-time and permanent contract with 38.5 working hours per week
- Hybrid work with 1 day home office
- Annual leave 30 days
- Relocation support allowance
