Job Description

A global luxury fashion company is looking for a Logistics Coordinator. The selected candidate will oversee warehouse operations, inventory control, import/export activities, supplier coordination, and supply chain improvement initiatives across Japan.

A globally recognised luxury fashion organisation with a strong presence in the international retail and e-commerce industry. The company is known for its contemporary fashion collections, customer-focused approach, and innovative digital retail experience.

Keywords:

サプライチェーン, 物流, ロジスティクス, 求人, 外資系

Job Ref: 3HBU38

Responsibilities:

- Support daily warehouse operations and administrative processes with the 3PL partner
- Monitor service levels, quality standards, and operational performance against SLAs
- Coordinate inbound quality control communication between warehouse and HQ teams
- Manage import/export activities and oversee inventory reconciliation, audits, and stock accuracy
- Analyse logistics KPIs and provide operational performance reports and insights
- Drive supply chain improvement projects while supporting suppliers, commercial teams, and internal order processes

Requirements:

- Bachelor's degree or above in business administration, supply chain, logistics, engineering, or similar domain
- More than 2 years of experience within logistics, supply chain management, management consulting, or business controlling
- Proficient in MS Office Suite
- Fluent level English and Japanese (other language is a plus)

Preferred requirements:

- Experience from retail and/or the fashion industry
- Proficient in ERP system Microsoft D365, WMS systems, PLM, Qlik Sense, and NuOrder

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
