Responsibilities:

- Attract and assess diverse talent aligned with current and future business needs
- Develop employees and strengthen succession pipelines through talent and organisational development initiatives
- Improve employee engagement by translating survey findings into targeted actions
- Foster diversity and workplace culture while supporting change management initiatives

- Ensure compliance with employment laws, HR policies, and established processes

Requirements:

- More than 5 years Human Resources experience (Generalist/HRBP type of experiences)
- Experience in a large/Middle scale/multinational company with diverse work environment
- Proficient in MS Office Suite
- Professional level Japanese; business level English (TOEIC 850)

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
