Job Description

Company Overview

A global manufacturing solutions provider specializing in precision-engineered components and advanced production technologies is seeking a Customer Service Executive to join their team in Penang. The company serves leading international brands across the consumer electronics, industrial, and technology sectors, offering end-to-end manufacturing capabilities and a strong commitment to innovation, quality, and customer satisfaction.

Key Responsibilities

- Process customer orders and update forecasts in the IFS system.
- Communicate with customers on orders, forecasts, delivery schedules, and changes.
- Coordinate with Planning, Production, Material, and Shipping teams to ensure on-time delivery.

- Monitor customer orders and follow up on potential delays or shortages.
- Coordinate customer requirements with production and material availability.
- Monitor consignment, on-hold, quarantine, and slow-moving inventory.
- Maintain accurate customer and order information in the system.
- Act as the main contact for customer order and delivery matters.
- Build and maintain good relationships with customers.
- Follow up on customer payment and account reconciliation.
- Escalate customer or delivery issues to the superior when necessary.
- Ensure compliance with RBA and Supplier Code of Conduct requirements.
- Perform other duties as assigned by the superior.

Key Requirements

- Diploma or Degree in Business, Supply Chain, Logistics, or a related field.
- Preferably 2–5 years of experience in Customer Service or a manufacturing environment.
- Good communication and customer service skills.
- Good command of English.
- Good computer skills, especially Microsoft Excel.
- Experience with IFS or other ERP systems is an advantage.
- Responsible, organized, proactive, and able to work well with others.
