Job Description

Mandatory

- 3-5 years of experience in machine tool sales, technical sales, application engineering, or industrial equipment sales.
- Experience in foundry, casting, machining, CNC equipment, manufacturing machinery, or related industries.
- Strong customer-facing communication and relationship management skills.
- Willingness to travel extensively across India.

Preferred

- Experience working with foundries or casting manufacturers.
- Experience in procurement, engineering, production planning, or machine selection within foundry or manufacturing environments.

- Knowledge of CNC machining centers, pattern manufacturing equipment, or industrial automation systems.
