Job Description

Company Overview: -

Established in 1988, is a leading Malaysian manufacturer of household, industrial, and personal hygiene care products. With over three decades of industry experience, the company has grown from a small local operation into an internationally recognized brand, exporting its products to more than 60 countries worldwide.

Job Description: -

- Manage the Group's accounting operations and ensure all financial transactions are recorded accurately, timely, and in accordance with applicable accounting standards and regulatory requirements.

- Lead the monthly and year-end closing processes, including the review and reconciliation of general ledger accounts.
- Prepare and analyze financial reports, including Profit & Loss Statements, Balance Sheets, Cash Flow Statements, and cash flow projections to support business decision-making.
- Assist in the preparation of annual budgets, forecasts, and management reports by providing relevant financial data and analysis.
- Coordinate audit activities and work closely with external auditors to facilitate the timely completion of statutory audits and financial statements.
- Support the preparation of consolidated financial statements and ensure accurate reporting across multiple entities within the Group.
- Maintain the accuracy, completeness, and reliability of financial records, reports, and supporting documentation.
- Ensure compliance with statutory requirements, accounting standards, and internal financial policies and procedures.
- Collaborate with internal departments and external parties on accounting, reporting, compliance, and audit-related matters.
- Undertake other finance and accounting responsibilities as assigned by management from time to time.

Requirements:-

- Bachelor's Degree in Accounting, Finance, or a related professional qualification.
- At least 2 years of relevant experience in accounting and finance, preferably within the manufacturing sector or a similar industry.
- Familiarity with SAP or other ERP systems will be an added advantage.
- Good command of both written and spoken English and Mandarin, with the ability to communicate effectively with Mandarin-speaking stakeholders.
- Strong analytical and problem-solving capabilities, with a high level of accuracy and attention to detail.
- Good interpersonal and communication skills, with the ability to work effectively across different teams and departments.
- Able to work independently, manage priorities efficiently, and meet deadlines in a fast-paced environment.
- Proactive, responsible, and committed to delivering quality work.
