Job Description

Localization Coordinator
Location: BTS access

Job Description

- Localize game content from English and Japanese into Thai, ensuring linguistic accuracy and cultural relevance.
- Collaborate with Japanese stakeholders to align localization output with project objectives and player expectations.
- Support localization operations and project implementation based on requirements from HQ in Japan.
- Research and apply game-related terminology and cultural context to deliver high-quality translations.
- Manage communication and workflow with external localization vendors to ensure timely and accurate project execution.

Requirement

- Strong bilingual communication skills in both Japanese (JLPT N2-N1 level) and English, with the ability to work effectively with global stakeholders and Japanese headquarters.
- Experienced in content localization and cross-cultural communication, with a solid understanding of Thai language nuances, cultural context, and audience expectations.
    - Familiar with coordinating multiple stakeholders, including external vendors and translation partners, to ensure smooth project execution and high-quality deliverables.
    - Passionate about gaming and Japanese pop culture, with the ability to accurately convey the original meaning, tone, and user experience through localized content.
