Job Description

【求人No NJB2408143】

【About the role】

We are seeking a proactive Human Resources Office Administrator to lead our Japan based operations including payroll labor relations and site management. Acting as a primary local contact the successful candidate will partner with Regional HR Shared Services and management to maintain operational excellence and ensure full adherence to local regulatory

requirements.

【Key Responsibilities】

- Direct the comprehensive monthly payroll cycle year end tax reconciliations (Nenmatsu Chosei) and statutory filings in coordination with external consultants.
- Execute daily tasks related to Social (Shakai Hoken) and Labor (Roudou Hoken) insurance maintaining strict alignment with the Japan Labor Standards Act.
- Supervise employee attendance leave documentation and the administration of local labor statutes such as the Article 36 Agreement.
- Serve as the primary representative to social security attorneys (Sharoshi) health associations and governmental bodies.
- Facilitate onboarding and offboarding including contract preparation equipment provisioning and system credentials for the Japan workforce.
- Oversee office environment facility maintenance procurement of supplies and local asset tracking.
- Manage correspondence physical archives and general administrative workflows for the Tokyo office.
- Deliver high level support for visiting leadership including scheduling and itinerary coordination.
- Organize local engagement activities corporate town halls and associated logistics.

Required Skills

- Possession of an Associate or Bachelor's degree.
- Minimum 3 years of direct HR experience in Japan encompassing payroll tax adjustments and insurance within an international or high growth business context.
- Comprehensive knowledge of Japanese Labor Laws and social security frameworks.
- Familiarity with HRIS platforms (Oracle etc.) and proficiency in Google Workspace and MS Office suites.
- Health Supervisor (衛生管理者) certification is highly desirable (successful candidates must commit to obtaining this post hire if not currently held) .
- Native Japanese fluency paired with Business English proficiency for effective collaboration with regional stakeholders and international talent teams.
- Meticulous attention to detail and an independent solution oriented approach to balancing compliance and administrative duties.
