Job Description

Position: Operations Manager

Salary: 80,000 - 100,000 THB
Location: Everland Factory 22, Nakhon Pathom
Product: Wire Harness, Automotive Parts

Responsibilities:
- Assist in overseeing daily factory operations, including production planning, material flow, site management, efficiency improvement, and cost control.
- Monitor production progress, quality output, equipment utilization, and manpower arrangement to ensure on-time delivery.
- Drive process optimization, site improvement (5S/Lean), capacity enhancement, and abnormality resolution.
- Coordinate with production, QC, logistics, purchasing, and other departments to ensure smooth and efficient operation.
- Manage operational data, report analysis, target tracking, and implementation of improvement

plans.
- Assist in establishing department rules, operating procedures, and safety management requirements.
- Complete other operation-related tasks assigned by superiors.

Requirements:
- Bachelor’s degree or above in Industrial Engineering, Business Administration, Mechanical, Electronic, or related field.
- 10 years of operation / production management experience in manufacturing; wire harness, electronics, or automotive parts industry preferred.
- Familiar with production planning, site management, lean production, efficiency improvement, and cost control.
- Strong data analysis, cross-departmental coordination, and problem-solving skills.
- Responsible, proactive, execution-oriented, able to work under pressure.
- Fluent in English (working language)
