Job Description

Our client, a leading Japanese manufacturing company, is looking for a Quality Assurance Staff to support Quality Management System implementation and ensure compliance with quality standards across the organization.

Key Responsibilities

- Support Quality Management System (QMS) implementation and maintenance
- Conduct internal audits and follow up corrective actions
- Monitor compliance with ISO standards and company procedures
- Analyze quality issues and support improvement initiatives
- Coordinate with related departments on quality-related matters

Requirements

- Bachelor's degree from a reputable university
- 1.5~3.5 years of experience in Quality Assurance, Quality Control, or related functions
- Strong understanding of ISO standards and audit processes
- Internal Auditor certification is preferred
- Good English communication skills
- Strong analytical and problem-solving skills
- Proficient in Microsoft Office
