**About BlueCat**

We're BlueCat—a Great Place to Work for good reason.

Our team solves critical network challenges for some of the world's largest organizations. In simple terms, we manage the systems that keep networks running smoothly, securely, and reliably—the backbone infrastructure that powers digital transformation for enterprises globally.

Our **Intelligent Network Operations** platform delivers and enables AI-driven agentic ops at scale, automating and simplifying how companies manage, secure, and optimize their networks.

But what makes us different is how we work: we believe great work happens in an environment where you're trusted, heard, and supported.

With teams globally, we're building a workplace culture that values collaboration and integrity as much as innovation. If you're looking to advance your career with a company that invests in its people, this is it.

**The Role**

We are seeking an experienced and results-driven **Senior Sales professional** to drive revenue growth in Japan, develop strategic partner and customer relationships, and expand market presence in Japan.

The successful candidate will be responsible for managing key accounts, finding new business opportunities, and leading the full sales cycles by collaborating with Japan's technical team and other cross-functional teams to achieve business objectives.

If you share our enthusiasm for the future of our company and are eager to contribute to our vibrant workplace, we look forward to receiving your application!

**Work Conditions**

- **Employment Type:** Permanent, Full-Time
- **Location:** Japan Office
- **Work Style:** Hybrid
- **Working Hours:** Regular working hours with flexibility due to the international nature of the organization
- **Annual OTE:** ¥13,000,000 – ¥18,000,000
- **Compensation Structure:** 50% Base / 50% Commission

## Required Skills

- **10+ years of sales experience**
- **Japanese:** Native level
- **English:** Fluent communication ability

Join us in shaping the future of our organization, where your talent and dedication can truly thrive. We invite you to apply and become a valuable member of our team!

BlueCat is an Equal Opportunity Employer that is committed to inclusion and diversity. We also take affirmative action to offer employment and advancement opportunities to all applicants, including minorities, women, protected veterans, and individuals with disabilities. BlueCat will not discriminate or retaliate against applicants who inquire about, disclose, or discuss their compensation or that of other applicants.

We may use artificial intelligence (AI) tools to support parts of the hiring process, such as reviewing applications, analyzing resumes, or assessing responses and identifying potential inconsistencies or verification signals in application materials based on available information. These tools assist our recruitment team but do not replace human judgment. Final hiring decisions are ultimately made by humans. If you would like more information about how your data is processed, please contact us.
