Job Description

The Accounting Manager role offers the opportunity to play a key part in the organisation’s financial management, reporting, budgeting, and tax compliance activities. This position is ideal for professional who enjoys working in a manufacturing environment and contributing to accurate financial reporting, regulatory compliance, and business performance analysis.

Responsibilities

1. Prepare monthly reports for the Board of Directors and consolidation team.
2. Manage budgeting activities, including budget preparation, control, monitoring, and analysis of budget reports.
3. Oversee tax activities, including:
    - Preparation of annual corporate tax reports.
    - Monitoring and preparation of data for tax audit processes.

    - Providing instructions and guidance on corporate tax practices, VAT, and other income taxes (PPh 23 & PPh 4(2)).

4. Prepare reports for Bank Indonesia (LLD, ULN, KPPK/Hedging, BS, PL).
5. Prepare annual financial reports for the Ministry of Trade and Industry.
6. Prepare accounting data and supporting documentation for tax auditors, customs auditors, and external auditors.
7. Conduct visits to the manufacturing facility in Merak to review accounting transactions.

Requirements

- Bachelor's degree in Economics, Accounting, Finance, or a related field.
- Experience in a manufacturing company would be advantageous.
- Understanding of SAP.
- Knowledge of cost accounting would be advantageous.

About the company

A Japan-based company in the manufacturing industry, this organisation supplies products to a diverse range of industrial sectors and has maintained a long-standing presence in Indonesia. As part of an established international business, it is committed to quality, operational excellence, and sustainable growth.
