Job Description

Financial Director is responsible for leading the company's finance function, including treasury, funding, cash flow management, budgeting, financial planning, and financial risk management, while supporting strategic decision-making and business growth.
Responsibilities

- Lead cash flow, liquidity, and working capital management to support business operations.
- Develop and manage funding strategies, loan facilities, and relationships with banks and financial institutions.
- Oversee budgeting, forecasting, and consolidated financial planning for the group.
- Review financial performance and provide strategic analysis and recommendations to management.
- Manage financial risks, including foreign exchange (FX) and interest rate exposure.
- Monitor and ensure compliance with financial agreements and banking covenants (e.g., D/E Ratio, DSCR).
- Support financial reporting and presentations to shareholders, board members, auditors, advisors, and rating

agencies.

- Oversee the finance function for a holding company structure with approximately 25 subsidiaries.
- Manage and develop a finance team of 20 staff (3 direct and 17 indirect reports).
- Support business operations with annual revenue of approximately THB 5.9 billion.

Requirements

- Bachelor's Degree or higher in Accounting or Finance.
- At least 7 years of experience in Accounting and Finance.
- Minimum 3 years in a management-level role.
- Strong experience in Treasury, Funding, Budgeting, and Financial Planning.
- Good financial analysis and business partnering skills.
- Good command of English.
- Detail-oriented, reliable, and able to work effectively under pressure
