We provide specialized proactive recruitment support to multinational clients who are setting up new operations or are expanding existing business and seeking further growth in the Japanese market. As the first Japanese recruitment company to set up operations in the UK in 1975, understanding foreign cultures is second nature to us. With our extensive global network and historically leading position as a recruitment consultancy to Japanese corporations, we have access to an unrivaled pool of bilingual Japanese and foreign professionals. Our professional consultants are experts in a range of industries and functions and all have extensive multicultural experience. Based on JAC's unique history, culture and market strength, JAC International was founded to provide dedicated support to our multinational corporate clients in Japan.
