Job Description

Join a leading international B2B industrial solutions company and take ownership of the full accounting and finance operations. This role is ideal for an experienced finance leader who can drive financial governance, business performance, compliance, and strategic decision-making in a fast-paced multinational environment.

Key Responsibilities

- Manage the full spectrum of accounting and finance functions, including financial closing, reporting, and statutory compliance.
- Prepare budgets, forecasts, and management reports to support strategic decision-making.
- Monitor cash flow, working capital, and overall financial performance.
- Ensure compliance with accounting standards, tax regulations, and internal control requirements.
- Coordinate with external auditors, tax advisors, and relevant authorities.

- Provide financial analysis and business insights to improve operational efficiency and profitability.
- Lead process improvement initiatives and enhance financial systems and reporting capabilities.
- Develop and mentor the finance team, fostering a culture of accountability and continuous improvement.
- Collaborate with local and regional stakeholders to support business growth and organizational goals.

Requirements

- Bachelor's Degree in Accounting, Finance, or a related field.
- Several years of progressive experience in accounting and finance, including managerial responsibilities.
- Strong knowledge of financial reporting, budgeting, taxation, and internal controls.
- Experience within multinational, trading, distribution, or manufacturing environments is an advantage.
- Proven leadership and people management skills.
- Strong analytical, communication, and stakeholder management abilities.
- Good command of English and proficiency in ERP systems.
