Job Description

A global transport and logistics company is seeking a Legal Manager to oversee legal affairs, ensure regulatory compliance, manage contractual risks, and provide strategic legal advice to support business objectives.

Responsibilities:

- Oversee legal affairs, compliance, and corporate governance across all business units
- Ensure business operations comply with applicable laws, regulations, and contractual obligations
- Advise management on legal risks, regulatory requirements, and commercial opportunities
- Develop and implement policies aligned with legal standards and the company's code of conduct
- Manage contracts and mitigate legal and operational risks
- Protect company interests and support sustainable business growth through practical legal guidance

Requirements:

- Bachelor's degree or above in law or equivalent legal qualification
- More than 5 years of experiences in a corporate legal department
- Experience in handling a broad range of commercial and corporate legal matters including compliance
- Prior experience dealing with regulatory authorities and government agencies

- Understanding of corporate governance, compliance, contract law and commercial transactions
- Excellent people management skills
- Proficient in MS Office Suite
- Fluent level written and spoken English and Japanese

Preferred requirements:

- Experience supporting business operations in a multinational or international business setting

About the Company:

An international transport and logistics company. This organisation offers a variety of shipping and delivery services to clients across the globe. Operating across dozens of countries, they continue to be a powerful player in the international logistics world.

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
