Job Description

Join a global trading company and support business development activities across commodities, sustainability, and strategic investment projects. This role offers exposure to commercial operations, stakeholder engagement, and new business initiatives in both local and international markets.
Key Responsibilities

- Develop and support trading and business development activities.
- Build and maintain relationships with customers, suppliers, and business partners.
- Research market trends and identify new business opportunities.
- Support investment and joint venture administration, reporting, and documentation.
- Coordinate with internal and external stakeholders on ongoing projects and business activities.
- Assist in feasibility studies, business proposals, and management presentations.
- Support sustainability and energy-related business initiatives.

Requirements

- Bachelor's Degree in Business, Economics, Engineering, Finance, or a related field.
- Experience in business development, trading, investment support, corporate planning, or related functions.
- Strong communication, stakeholder management, and coordination skills.
- Good analytical and problem-solving abilities.
- Proficient in Microsoft Office (Excel, PowerPoint, Word).
- Able to work independently and collaboratively in a team environment.
- Japanese language skills will be an added advantage.
