Job Description

A leading global chemical company is seeking an experienced Legal Counsel to strengthen its legal team in Japan.

This is an exciting opportunity at a chemical manufacturer with a long-established presence in Japan and a strong reputation across its industries. You will join an experienced legal team supporting the company's Japan operations, with a senior Bengoshi ready to train and develop your legal skills.

This role suits a legal professional who wants broad, hands-on exposure across commercial, regulatory, and corporate

matters, rather than a narrow specialist track, within a stable, technically driven manufacturing environment.

We are looking for a lawyer with:

* At least 3 years of experience in the legal department of a major corporation
* Broad working knowledge of Japanese corporate law
* Business-level English and native-level Japanese, written and spoken
* Previous experience in the chemical, materials, or manufacturing sector is an advantage

Key Responsibilities

* Review, draft and negotiate a wide range of commercial agreements
* Support cross-border and trade-related legal matters
* Provide cross-departmental legal advice to business and operational teams
* Manage corporate documentation and registration across all group companies
* Support the legal team on ad hoc projects as the business scales in Japan

Why Consider This Opportunity?

* Broad scope across commercial, regulatory, and corporate matters, ideal for building well-rounded in-house experience

* Join a stable global company with a long track record in the Japan market

*Exposure to a specialized, technically driven industry

* Flexible working style, including remote work and flex time

* Supportive team environment working alongside experienced legal colleagues

This is one of several exclusive legal opportunities we're currently handling in Tokyo and the nearby areas. For a confidential conversation about this role or others, reach out to Nate directly at nate@alberto-recruitment.com or call 080-9462-7885.
