Job Description

Position: Sales Engineer / AM or Senior Executive

Location: Chennai Office
Survey Nos. 20/6, 20/7 (Part), 22 (Part), 23 & 24, Orakaddu, Tamil Nadu 600067

Key Responsibility:
- Machinery Delivery
- Installation and Setup
- Test Runs and Commissioning
- Troubleshooting
- Customer Support and Technical Briefings
- Reporting and Documentation

Experience:
・At least 4 years of experience in Sales.
→Strong English communication skill is most important.
・Experience and technical knowledge of machine tools
・Ideally, They’re looking for someone with experience working at a Japanese company, but they understand that salaries

are high there, so they’re also open to candidates from Indian companies.
・Candidates from air-conditioner manufacturers, machine manufacturers, industrial equipment, or related industries are also welcome
・Ability to read and understand technical drawings

・Depending on future business expansion, the company may either build a team under this position or hire additional service engineers.

Educational Qualification:
Bachelor's Degree in Electrical Engineering

Interview: 2-3 rounds(Last round is F2F in chennai)

Key Hiring Criteria

- English communication is a critical requirement.
- Previously, six candidates were interviewed through another recruitment agency; however, most were relatively junior and lacked sufficient communication skills.
- Therefore, the client prefers candidates around their early to mid-30s with a higher level of maturity and independence.
