Job Description

Lead consulting projects for banks, insurers, asset managers, and other financial institutions.
Analyse complex business issues and develop practical recommendations for clients.
Manage project workstreams and ensure deliverables are completed on time and to a high standard.
Build strong relationships with client stakeholders and act as a trusted day-to-day advisor.
Present findings and recommendations to senior management and executive teams.
Coach and develop junior consultants through ongoing mentoring and feedback.
Support business development activities, including proposals, client pitches, and follow-up discussions.

Employee Benefits:
In accordance with Japanese labour law

Required Skills

5+ years of professional experience, ideally within strategy consulting or a project-based environment.

Strong knowledge of the financial services industry, including banking, payments, wealth management, asset management or insurance.
Proven experience leading teams, managing workstreams and delivering high-quality results under tight deadlines.
Strong analytical and problem-solving skills, with the ability to structure complex issues and develop practical solutions.
Excellent communication and stakeholder management skills, including experience presenting to senior executives.
Demonstrated leadership ability, with a collaborative approach to coaching and developing team members.
Native-level Japanese and business level English
