## Job Description

About the Company

A company in the professional advisory services industry provides consulting, accounting, finance, risk, and business support solutions to domestic and multinational organisations. With a strong focus on complex business challenges, corporate transformation, and strategic growth initiatives, the organisation offers professionals extensive exposure to diverse industries, international projects, and long-term career development opportunities.

About the Role

The Financial Consultant role offers an exceptional opportunity for qualified accounting professionals to work on a broad range of advisory engagements spanning transactions, risk management, finance transformation, and corporate growth initiatives. Operating within a collaborative and entrepreneurial environment, you will work closely with senior stakeholders while developing both technical expertise and commercial insight across diverse client engagements.

Responsibilities

Conduct financial due diligence and valuation assignments to support mergers, acquisitions, and strategic transactions.
Support the design, implementation, and evaluation of internal control frameworks and governance processes.
Assist clients with internal audit establishment, enhancement, and operational support.
Support the development and operation of consolidated financial reporting structures.
Advise clients on the preparation of statutory disclosures, financial statements, and regulatory reporting requirements.
Participate in IPO readiness projects, including capital policy development, business planning, and equity incentive design.
Support management accounting improvements, cost accounting framework development, digital transformation initiatives, and accounting system implementation projects.

Employee Benefits:
Benefits
Fully remote working arrangement available within Japan.
Flexible working hours with a flextime system.
Annual bonus.
Incentive scheme.
Qualification allowance.
Position allowance for eligible employees.
Retirement benefit scheme.
Remote working allowance.
Workation programme.
Side business permitted.
Health check-ups and influenza vaccination support.
Club activity subsidy and company-sponsored social events.
Comprehensive social insurance coverage.
Up to 125 annual holidays, plus seasonal, examination, childcare, family care, and special leave provisions.

## Required Skills

Requirements
Qualified Certified Public Accountant or successful completion of the Certified Public Accountant examination.
Minimum of 2 years' experience within an audit firm.
Alternatively, experience within a consulting environment involving financial due diligence, tax due diligence, or business valuation engagements.
Strong analytical and problem-solving skills.
Ability to take ownership of projects and drive deliverables independently.
Excellent communication and stakeholder management capabilities.
Commitment to continuous professional development and specialist expertise.
Ability to work effectively within a collaborative team environment.

Preferred:

Experience in financial advisory services, including due diligence and transaction support.
Experience in corporate accounting, finance, disclosure reporting, or FP&A functions.
Experience supporting governance, internal controls, or risk management initiatives.
Interest in international and cross-border projects.
