Job Description

Company and Job Overview
Our client is a leading global trading and investment companies, engaged in a diverse range of industries including chemicals, energy, food, infrastructure, mobility, healthcare, and industrial solutions. They are seeking a results-oriented Assistant Sales Manager to drive business growth for their Infrastructure & Energy Division.

Responsibilities

- Drive business development and export growth for wood pellets and Palm Kernel Shell (PKS), coordinating suppliers, buyers, and global network
- Oversee governance and administrative matters, including dividend administration, financial closing support, approvals, reporting, and corporate record management
- Build and maintain strategic relationships with key stakeholders such as TNB, Khazanah, PETRONAS, MMC, and other industry partners

- Identify, assess, and develop energy transition business opportunities in Malaysia in collaboration with relevant partners and internal teams.
- Support the advancement of new energy and sustainability initiatives by evaluating market opportunities and coordinating cross-functional project development

Requirements

- Bachelor's degree or above with experience in business development, trading, corporate planning, investment administration, stakeholder management, or related fields
- Exposure to energy, infrastructure, commodities, biomass, or international business environments will be an added advantage
- Strong commercial acumen with the ability to identify, evaluate, and support new business opportunities and market developments
- Excellent interpersonal, communication, and stakeholder management skills, with the ability to engage effectively across diverse internal and external stakeholders
- Proficient in Microsoft 365 applications with strong presentation, and project coordination capabilities.
- Self-motivated, detail-oriented, and analytical, with strong problem-solving skills and the ability to work both independently and collaboratively in a dynamic environment
- Applicants must be Malaysian citizens or hold valid work authorization
