Job Description

Group Financial Controller

Singapore | Senior Finance Leadership

About the Role

We are partnering with a high-growth, technology-enabled multinational organization to appoint a Group Financial Controller. Reporting directly to the CFO, this newly created leadership position will play a pivotal role in strengthening financial governance, group reporting, and finance operations across a complex international business.

This is an exciting opportunity for a hands-on finance leader who enjoys working in a dynamic, fast-paced environment and contributing to the next phase of organizational growth.

Key Responsibilities

- Lead the preparation of consolidated financial statements and ensure compliance with IFRS and relevant regulatory requirements.

- Manage monthly, quarterly, and annual financial closing processes across multiple business units and jurisdictions.
- Oversee statutory reporting, external audits, and liaison with auditors and key stakeholders.
- Strengthen internal controls, financial governance, and risk management frameworks across the organization.
- Drive standardization of accounting policies and financial reporting processes.
- Support group tax governance, transfer pricing compliance, and regulatory reporting requirements.
- Champion finance transformation initiatives, including process improvements, automation, and technology adoption.
- Partner closely with senior leadership to provide financial insights and support strategic decision-making.
- Lead, mentor, and develop regional finance teams, fostering a culture of accountability and continuous improvement.

Requirements

- Degree in Accountancy, Finance, or a related discipline; CA, CPA, ACCA, or equivalent professional qualification preferred.
- At least 12 years of progressive finance experience, including significant exposure to group reporting and multi-entity environments.
- Strong knowledge of IFRS, financial consolidation, statutory reporting, and financial controls.
- Proven experience managing external audits and working with senior leadership teams.
- Background in Big 4 accounting firms combined with commercial finance experience is highly advantageous.
- Experience within technology, software, business services, or other regional multinational environments will be viewed favorably.
- Familiarity with ERP systems such as SAP, Oracle, NetSuite, or equivalent platforms.
- Strong communication and stakeholder management skills with the ability to influence across different functions and regions.
- Business proficiency in English and Mandarin to support communication with regional stakeholders.
