Job Description

Job Title: Accountant (Group Consolidation)

Location: Singapore - Central

Your New Company

My client maintains a strong global footprint, serving customers across the Americas, EMEA, and Asia-Pacific. Their solutions support mission-critical applications in life sciences, industrial inspection, materials science, and analytical instrumentation, empowering industries to improve safety, precision, and efficiency.

Their global operations include dedicated sales, technical support, service centers, and R&D teams, ensuring comprehensive end-to-end support and seamless delivery of advanced scientific technologies across markets.

Your New Role

- Support monthly group consolidation activities, including ensuring timely submission of financial reports from overseas subsidiaries.

- Review financial results and reporting submissions from subsidiaries to ensure accuracy and compliance with IFRS.
- Prepare consolidation adjustments, elimination entries and other necessary journal entries.
- Collaborate closely with accounting teams across overseas subsidiaries to resolve reporting discrepancies and ensure consistency in financial reporting.
- Play a key role in the group's consolidation system implementation project.
- Drive initiatives to enhance group consolidation processes, improve reporting efficiency and shorten the financial closing timeline.
- Assist in the preparation of quarterly and annual consolidated financial statements for publication to banks and relevant stakeholders.
- Contribute to the team's development through technical expertise, knowledge sharing and effective collaboration.
- Undertake any other ad hoc duties as assigned by the supervisor.

Key Qualifications for Success

- Degree in Accountancy, ACCA or an equivalent professional qualification.
- Minimum 5 years of relevant accounting experience, gained from professional accounting firms and/or corporate accounting teams.
- Strong understanding of IFRS and global accounting practices.
- Prior experience in group consolidation accounting.
- Hands-on experience with SAP is essential.
- Experience with OneStream or other consolidation systems such as Hyperion Financial Management (HFM) will be advantageous.
- Experience in accounting system implementation projects would be an added advantage.
- Prior experience working in a multinational organization is preferred.
- Strong leadership, analytical and problem-solving skills, with a proactive and committed approach to work.
- Excellent interpersonal and communication skills, with the ability to collaborate effectively with stakeholders across different levels and cultural backgrounds.
- Open to Singapore Citizens and Permanent Residents (PRs) only.
