Job Description

Vega is offering an exciting position to work with an international team to help build our growing audio-visual installation business in Japan. Vega is seeking an **Audio Visual Support** to assist with the day-to-day operations of one of our most prestidious customers in Japan.

Working onsite at our client site, you will support audio visual meetings, events and deal regularly with customer concerns and questions.

Required Skills

We are looking for both experienced and junior candidates who have a flexible attitude and willingness to learn. The ideal candidate should be able to communicate effectively in English and Japanese, keen to learn, be a good communicator, able to handle stressful situations calmly when troubleshooting and be willing to work in a multi-lingual environment.

Vega offers employees a relaxed but challenging workplace that allows employees to reach their full potential by focusing on their relative strengths and providing guidance and training.

If you are interested in a position at Vega as an Audio Visual Support please contact us.

Company Description

Founded in 1986, **Vega Global** is the biggest Audio Visual and Video Conference system integrator in the APAC region. **Vega Project K.K** is part of Vega Global and allows customers to enjoy Vega's high level of service and expertise (audio-visual installations, maintenance, distribution and sales) in Japan.

Headquartered in Hong Kong, Vega has evolved from a distributor of audio-visual equipment to be one of the largest audio-visual products and total solution providers. We now have a comprehensive network of over 600 professionals in Hong Kong, Australia, China, India, Indonesia, Japan, Korea, Macau, Malaysia, New Zealand, Philippines, Singapore, Taiwan, Thailand, United Arab Emirates, and Vietnam. Today, we are the preferred AV/IT solutions providers for local, international, and multinational customers who want best-in-class technology solutions.
