Job Description

A leading US technology company is looking for a Group Leader in the Logistics Department for their operations in Japan. This is a good opportunity for someone who is interested in a career in logistics.

You should have 3+ years experience working in Logistics, preferrably with IT equipment.

The Logistics Leader will be responsible for:

* Automotive Supply Chain Management

* Using technology to streamline and optimize logistics operations, including: Encompassing areas like inventory management, transportation, and warehousing

Required Skills

Candidates should have a minimum of five years relevant work experience within the automotive industry in Japan.

Speak native Japanese and business-level English ability.

Company Description

Propel Consulting is an Executive Search Company based in Tokyo. We specialise in providing international businesses with bilingual executives and mid-level professionals. Our team of experienced consultants collaborate to identify and service the unique needs of candidates and clients across a wide range of industries. We achieve excellence by developing creative solutions that utilise our broad-reaching networks, technology based tools and relevant expertise. Our innovative approach ensures that we can introduce the best candidates to our clients and the best opportunities to our candidates. We have helped numerous professionals to join some of the leading international companies in Japan. Our experience enables us to provide candidates with the best opportunities available in their industry. We will also provide help and support throughout the entire process including: interview advice, resume tips, compensation negotiation and helping you to resign from your present position.
