会社説明

Mazars is an international audit, tax and advisory firm committed to helping our clients confidently build and grow their businesses.

We have come a long way since Robert Mazars set up his accountancy firm in Rouen, France in 1945. From these modest beginnings, Mazars has grown into an international group comprising over 40,000 professionals across more than 90 countries and territories, including 16,000 professionals through the Mazars North America Alliance.

Our unique integrated partnership spans all continents:

90+ countries and territories
40,000+ professionals worldwide

Mazars specialises in providing business services to a wide range of international companies doing business in Japan.

Mazars also play a key role in supporting many large Japanese companies that use Mazars services overseas, particularly in Europe and Asia. Whether a company is local or international, Mazars in Japan can be of assistance.

OUR SERVICES

Running or growing a business is tough enough without the burden of administration, accounting and ever-changing legislation.

Tax Services

With presence in major economies of the world, we understand the complexities of tax in today's global economic climate. Mazars Japan works closely with our offices in other countries in delivering professional services through multi-lingual teams experienced in both international and local requirements and regulations. Our Tax Advisory Services comprise Corporate Tax Compliance and Support,...
