募集要項

Kekst CNC is an international strategic consultancy which advises large corporations, mid-cap companies, institutions and individuals on all aspects of strategic communications within their respective markets. We have a particularly strong focus on cross-border mandates and high-stake matters such as M&A, shareholder activism and crisis communications. With more

than 250 employees in 15 cities around the world, Kekst CNC is one of the world's leading international strategic communications consultancies. The Tokyo office was established in 2004. This makes Kekst CNC a pioneer in Japan as the only global strategic communications consultancy with a history of 18 years in this market.

Responsibilities

- Independent handling of various client accounts as project leader incl. management of other project members / Ongoing support of other client accounts led by other project leaders or other global offices
- Specific client tasks include but are not limited to
  - o Strategic planning of communication strategies
  - o Research and audits
  - o Media and other stakeholder relations
  - o Planning, organization and management of various events incl. interviews, media roundtables, press conferences and others
  - o Media and issue monitoring
  - o Activity reports and other reporting
- Participation in business development initiatives and company marketing activities
