## ◆ Who We Are

We are ZenGroup, a global e-commerce company based in Osaka serving customers all around the world. We are a diverse team representing 30 nationalities, 6 continents, and providing our services to the world in 19 languages.

## ◆ What We Do

- We connect Japan to the rest of the world by providing a marketplace for foreigners to enjoy Japanese products in 19 languages through our ZenMarket proxy buying platform.
- Via our ZenPop service we offer a subscription box service delivering highly curated boxes of snacks, stationery supplies and other goods all over the world.
- For Japanese brands looking to break into the world of ecommerce we offer ZenPlus EC-Mall where the best of “made in Japan” can market their goods to a global audience.
- Japanese companies seeking solutions to improve their advertising strategies towards foreign markets can utilize ZenPromo, our ad consulting service.

#### ◆ Why We Are Hiring

ZenMarket has been our largest service provider since 2014, and we strive to create seamless Ecommerce platforms for international customers overseas looking for simple ways to purchase merchandise from Japan. With more than one million parcels delivered and counting, we are looking for a new versatile project manager to join our team to help facilitate our sales to businesses overseas that are aiming to purchase and resell Japanese products. You will be responsible for leading diverse projects from conception to completion, leveraging your expertise in B2B sales and project management to ensure smooth execution and successful outcomes.
