募集要項

Key Account Manager

A multinational automotive manufacturer is looking for a Key Account Manager. The selected applicant will oversee the complete sales and business development process of fluid management systems activity and strengthen relationships with customers.

Responsibilities:

- Manage new contract acquisition activities including building sales strategies, promotions, quotations, breakdowns
 - Handle existing project activities such as meetings with customers, managing issues, protecting/improving margins, collecting AR
 - Develop potential opportunities in automotive markets (cope with RFQ activities)
 - Collect customer information, market information, and competitor information
 - Communicate with overseas members of the company.
 - Lead on Japanese customer worldwide actions, global coordination when needed
-

スキル・資格**Requirements:**

- Bachelor's degree or above in commercial or engineering
 - More than 3 years of sales experience in the automotive or similar industry
 - Prior sales experience with main Japanese automotive OEMs is a plus
 - Proficient in MS Office Suite
 - Ability and willingness to travel
 - Business level Japanese (JLPT N2+) is must and English (TOEIC 700+) is preferred
-
