## 募集要項

As a member of the People Services Team, this position entails delivering regional operational services related to personnel, including coordinating payroll and ensuring excellent service delivery to both internal and external stakeholders. This role will oversee operations for both Japan and Korea, where there are 100 and 25 employees respectively.

## Client Details

A global leader in premium fruit, renowned for its commitment to quality, sustainability, and innovation, delivers top-quality fruit worldwide while minimizing its environmental impact. The dedication to excellence, from farm to table, has earned it a reputation as a trusted and respected brand in the industry. If you've ever been to a supermarket in Japan or around the world, you've definitely seen their products and probably eaten a few as well.

## Description

## Payroll Processing and Assistance

- Handle regional payroll inquiries and coordinate payroll processing for relevant countries.
- Collaborate with payroll vendors and generate financial reports.

- Aid in onboarding and termination processes concerning payroll.
- Provide backup payroll services when necessary.

#### People Transactional Services

- Prepare employment agreements and related documentation.
- Manage onboarding, offboarding, and global mobility tasks.
- Coordinate employee insurance and benefits.
- Address employee and leader inquiries.
- Support annual people cycle activities and maintain employee files.
- Contribute to process enhancements and global transactional support.

#### People Systems and Process Support

- Offer expertise in people processes and contribute to process improvements.
- Support people advisory queries and process improvement initiatives.

#### Other

- Assist in coordinating company insurance and conflict of interest procedures.
- Provide flexible support across the People team and engage in project work as needed.

#### Job Offer

- Competitive salary and benefits package
- Opportunities for professional growth and development
- A supportive and inclusive work environment
- Access to innovative projects and initiatives in the produce industry
- Collaboration with skilled and passionate colleagues
- Commitment to sustainability and environmental stewardship
- Employee wellness programs and resources
- Recognition and rewards for contributions and achievements
- Opportunities for international experience and collaboration
- A dynamic and forward-thinking company culture
