募集要項

■Details of the job

This job involves all aspects of design related to the interior of offices and commercial facilities. The representative is a first-class architect, so the main work is to create CG and drawings based on his designs. In addition, we are responsible for deciding on the overall color concept, deciding on colors and interiors such as cloths, tiles, floors, and exterior walls, and supporting the client's order placement. About the company's vision

Please visit our website to learn more about our president's philosophy: <http://www.pdc-j.com/>

Our style of work is to work closely with our clients, focusing on "overwhelmingly beautiful design".

We have many clients, especially in the retail industry,

We are especially good at consulting and designing with the goal of creating maximum value for our clients, i.e., increasing

sales.

スキル・資格

■About the support system after joining the company

Depending on experience and skills, there is a possibility of business trip and assignment to overseas group companies. We are looking for people who have some basic knowledge and who like to create computer graphics. In addition, you will be communicating in English with the staff of the group companies, so if you are interested in working in English, you would be a good fit. We also have a support system for those who wish to acquire qualifications such as interior coordinator or a first/second-class Architect certificate etc.

■Regarding evaluation and salary

As we are a small organization, we expect our staff to have a certain degree of flexibility, but we have a system in place that makes it easy for them to improve their careers and be evaluated as they work harder.

Most of our staff are mid-career hires, so we expect them to become familiar with the company through on-the-job training, but please feel free to ask anyone around you if you have any questions. We work efficiently with focus and concentration as a small elite group. All that remains is for you, the new employee, to be enthusiastic and enjoyable to work with.
