募集要項

Golders Green College, established in 1941 is a British Council accredited English Language School in London.

The College is conveniently located just outside Golders Green tube and bus stations. We provide English lessons for all levels, from absolute beginners to intermediate and advanced learners. We are looking for an experienced **student recruitment specialist** to represent Golders Green College in Seoul, South Korea.

Your role:

- Build brand recognition for Golders Green College in your market
- Communicate and build relationships with local education agents on behalf of Golders Green College with the aim to send students
- Market the programs of Golders Green College amongst their local network
- Promote and host webinars and seminars to potential clients and partners

Key KPIs:

- Achieve targets for enrolments by net income
 - Number of students sent
-

スキル・資格

- Bachelor (or above) qualification
- 3+ years experience in the overseas education and/or immigration sector in a Sales/Business Development capacity
- 2-year minimum experience in student recruitment setting, recruiting students for universities or English schools in the UK
- Proven track record in achieving student recruitment targets
- Strong knowledge of local education system
- Fluent in English + Korean - written and verbal
- Good communication skills
- Confident public speaker
- Ability to work independently
- Ability to multitask under pressure and meet targets
- Own Laptop + Cellphone

Benefits of role:

- Work independently
 - Salary + commission - high earning potential
 - Opportunities to travel both locally and abroad
