募集要項

The Finance Manager will be responsible for overseeing all financial activities, reporting on revenue, and preparing forecasts within the Technology & Telecoms industry in Tokyo.

Client Details

The company is a large organization in the Technology & Telecoms sector, based in Tokyo. With an international reach, they are dedicated to driving innovation and excellence in their field.

Description

- Oversee day-to-day financial operations within the company.
- Track the company's financial status and performance to identify areas for potential improvement.
- Present financial reports to board members, stakeholders, executives, and clients in formal meetings.
- Stay up to date with technological advances and accounting software to be used for financial purposes.
- Establish and maintain financial policies and procedures for the company.
- Understand and adhere to financial regulations and legislation.

Job Offer

- · A competitive compensation package.
- · Opportunities for personal and professional growth.
- Strong potential to become the successor to the Finance Director based on performance.
- · A thriving and supportive company culture.

This is a great opportunity for a motivated Finance Manager to join a leading company in the Technology & Telecoms industry in Tokyo. If you are passionate about financial management and want to make a significant impact, please apply today.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Saki Kanematsu at +81 3 6832 8904.

スキル・資格

A successful Finance Manager should have:

- A degree in Finance, Accounting, or relevant field.
- Proven experience as a Finance Manager in any industries.
- Strong interpersonal, communication, and presentation skills.
- Enjoy process improvement / leading projects will be a plus.
- · Proficient user of finance software.
