募集要項

The ideal candidates will be our brand ambassadors to ensure a pleasant customer journey with the values of the company embedded in their daily operations. You will manage the daily operations of unique concept hotels located in central Tokyo. You ensure our customers feel comfortable and welcome during their stay. Reporting to the Head of Operations, you will have the chance to influence, strategize, and implement how to make daily operations efficient and profitable. Have

- Be the owner and gatekeeper of the quality of the hardware aspect of our products, including managing, monitoring and maintaining spaces, FF&E and equipment of properties.

- Be the major partner to the operation team to deliver a satisfying experience to our customers.
 - Being the main point of contact for contractors, including obtaining quotation, job coordination, quotation comparison, quality control and completion inspections.
 - Create and manage processes such as internal SOPs, preventative maintenance schedules, criteria for vendor selection and quality control.
 - Work with main stakeholders such as the operation team to create flows for efficient task management and customer communications.
 - Work with main stakeholders such as the asset management team on initial property onboarding and recurring maintenance and reportings.
 - Provide technical support to various internal departments.
 - Liaise, communicate and coordinate with different external stakeholders related to compliances and regulations, such as building related compliances and fire safety.
 - Support project manager for related pre-opening activities.
 - Other ad hoc tasks as required by the direct manager
-
