募集要項

JOB RESPONSIBILITIES

- Credit Management: Develop and enforce effective credit control policies to minimize risks from credit sales. Track accounts receivable aging reports and follow up on overdue accounts
- Collections: Create and implement effective collections strategies, including follow-up protocols, payment plans, and dispute resolution.
- Promoting high-performance culture by leading, mentoring, and develop a team of credit control and collections officers
- Involve in customer relationship management, establish and maintain strong customer relationships, address customer inquiries and disputes in timely manner
- Prepare regular reports on collections performance and aging

- Analyse trends in credit and collections performance, offering actionable insights and recommendations.
- Ensure adherence to relevant laws, regulations, and industry standards in credit management and collections.
- Identify potential risks in credit policies
- Collaborate closely with various departments, including sales and finance, to align credit control initiatives with business goals.
- Participate in cross-functional projects to optimize operations.

JOB REQUIREMENTS

- Bachelor degree in Business Administration, Finance & Accounting, or any related field
- Minimum 3 years of experience in credit control and collections management
- Minimum 1 year of experience in team lead or supervisory role
- Candidate with experience in hire purchase or auto loan will be added advantage
- Deep knowledge of credit management principles, financial analysis, collection methods, and legal compliance.
- Exceptional negotiation and communication skills, capable of effectively engaging with customers and colleagues.
- Strong analytical and problem-solving skills with a keen eye for detail.
- Ability to lead and inspire a team, promoting a cooperative work environment.
